The Personality Brokers - PenguinRandomHouse.com The Personality Brokers is history that reads like biography that reads like a novel—a fluid narrative that defies expectations and plays against type. The Personality Brokers™ Conjures the Mother and Daughter ... The Personality Brokers is history that reads like biography that reads like a novel—a fluid narrative that defies expectations and plays against type. The Personality Brokers: The Strange History of Myers ... The Personality Brokers is the fascinating history behind the Myers-Briggs test and the mother-daughter duo who created it. The book was incredibly well-written and well-researched and raised interesting questions about personality psychology, which interest me greatly.

The Personality Brokers: The Strange History of Myers ... Drawing from original reporting and never-before-published documents, The Personality Brokers takes a critical look at the personality indicator that became a cultural icon. Along the way it examines nothing less than the definition of the self—our attempts to grasp, categorize, and quantify our personalities. The Personality Brokers - Quiet Revolution The Personality Brokers By Merve Emre Excerpted with permission from Chapter Fourteen: One in a Million of The Personality Brokers: The Strange History of Myers-Briggs and Personality Testing. The Personality Brokers™ Review: A Blurred View of Who ... By calling the test result an “indicator,” Myers and Briggs removed the potential anxiety of being found wanting.

Book Marks reviews of The Personality Brokers by Merve Emre The Personality Brokers presents a damningly thorough critique of the MBTI: From its lack of scientific merit to its role as a tool of Cold War-era conformity, personality testing looks misguided at best and potentially sinister at worst. Emre echoes Theodor Adorno, who aligned the exercises of personality typing and people-sorting with fascism. The Personality Brokers - bookbrowse.com "The Personality Brokers is a fluid mix of history, research, and first hand reporting that speaks to both true believers and skeptics alike. With her engaging and persuasive narrative, Emre elucidates how personality testing became a cultural force, one whose influence persists. The Personality Brokers by Merve Emre - Review | BookPage People love personality tests, and they tend to believe the results, even if the tests are seldom reliable or even backed up by any scientific research. If you know your Myers-Briggs type—are you an ENFJ, or maybe an ISTP?—you know the appeal.

The Myers-Briggs test is a joke | The Outline The most popular personality test in the world is a joke The Personality Brokers™ goes into the flawed, fraught history behind the Myers-Briggs Type Indicator, which is about as psychologically credible as a BuzzFeed quiz.
